*Product Designer with 3+ years of experience designing **enterprise SaaS, AI-driven products, and data-heavy workflows. Strong in UX thinking, information architecture, design systems, and Figma, with experience owning design decisions and collaborating with product and engineering teams.***

## Professional Experience

### Product Designer - Master's Union, Gurugram

October 2025 – July 2026

- Designed **end-to-end experiences for 3 AI-driven SaaS products**, restructuring information architecture and complex workflows to improve task efficiency by **30%** across web and mobile.
- Translated complex product requirements and data into **clear UX flows, interactive prototypes, and scalable interfaces**, helping users navigate functionality with less friction.
- Built and evolved a **115+ component design system**, establishing **reusable and responsive patterns** across multiple products and reducing repetitive **UI work by 40%**.
- Conducted **user research and usability testing with 100+ users**, turning workflow insights into data-informed design decisions that addressed **60% of identified pain points**.
- Owned **design decisions from exploration through implementation**, working closely with **engineering and product stakeholders** to ensure accurate execution and reducing handoff time.

### UX/UI Designer - Skyview Smart Solutions, Lucknow

April 2024 - October 2025

- Designed **end-to-end UX flows, wireframes, and high-fidelity interfaces** for enterprise SaaS dashboards used by **500k+ users**, translating complex operational requirements into clear and usable experiences.
- Simplified **data-heavy workflows and dashboard experiences** across products for KAAUH Hospital, Al Raya, and Tamimi Markets, improving information hierarchy and usability for operational users.
- Collaborated closely with **product managers, engineers, and QA** through **iterative prototyping** and usability reviews, communicating design rationale and supporting accurate implementation

### Graphic Designer - JB Daruka Papers Ltd, Sitapur

November 2021 - November 2022

- Designed branding and marketing assets across **50+ digital and print campaigns**, developing foundations in visual communication, hierarchy, and problem-solving.
